

How can I learn more about my type of cancer?

How can I plan a healthy diet?

Where can I find the right support group for me?

How can I learn more about insurance and financial issues?

Where can I find others with my type of cancer?

COMPREHENSIVE CANCER CENTER
OF NORTHWESTERN UNIVERSITY

You know that cancer isn't just about medical treatment. It affects everything: relationships, finances, even how you see yourself. There are many resources to help you cope with these challenges, but sorting through them can be difficult.

That's where Cancer CONNECTION Days come in.

Cancer CONNECTION Days make it easier to find the answers you're looking for - all in one place - at the Lurie Cancer Center.

Cancer CONNECTION Days bring representatives from local & national support and advocacy organizations together to help patients and caregivers navigate the cancer journey.

Patients and families living with ANY type of cancer are welcome.
