

Generosity FOR Generations

Sun Health®
FOUNDATION

There Is No Greater Gift.

The amazing thing about generosity: it benefits both giver and receiver. Giving comes back to us again and again.

Generosity for Generations is Sun Health Foundation's campaign to raise and invest \$48 million for six special initiatives—all envisioned to improve the health and wellbeing of West Valley residents.

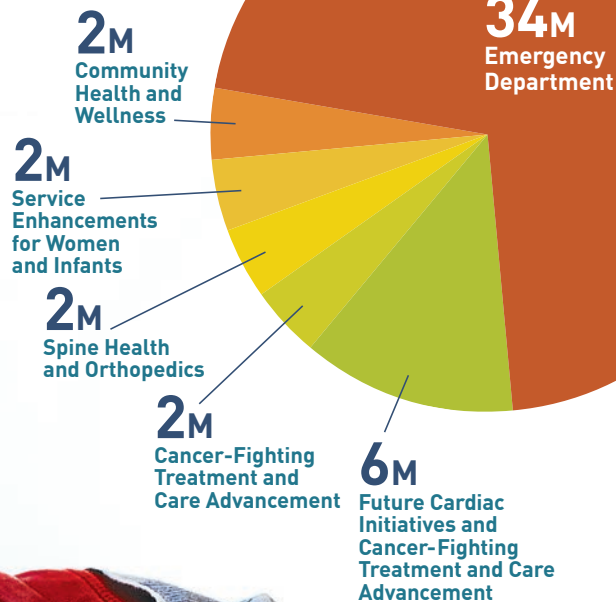

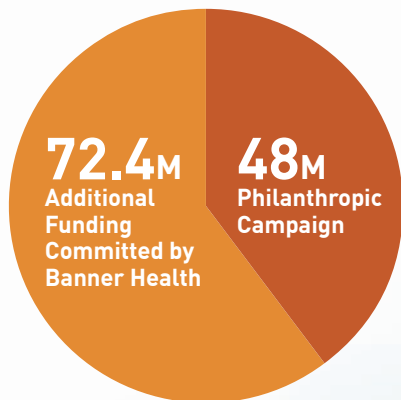

Your gift to the *Generosity for Generations* Campaign supports the initiative of your choice and stays right here in our community. Sun Health Foundation upholds the highest standards of fiscal responsibility, and always will.
